## POLICE DEPARTMENT REPORT

I respectfully submit the following report on police services provided to the town by the Goshen Police Dept.

The department responded to 186 calls and handled a total of 380 separate incidents in 1980. This is an increase of 60% over 1979.

A partial list follows:

Accidents	17
Traffic violations	291
Thefts	12
Larceny by check	3
Criminal trespass	10
Disorderly conduct	4
Juvenile problems	4
Forgery	1
D.W.I.	1
Dog nuisance & licenses	65
Burglaries	7
Criminal mischief	4
Domestic problems	20
Spillage & littering	2
Child abuse	1
Ambulance calls	2
Criminal liability	1
Shooting incident	1

The above resulted in 170 court cases as follows:

Traffic violations	162
Criminal felonies	4
Dog problems	4

In cooperation with the N.H. Highway Safety Agency 50% funding was obtained for a radar patrol program during the summer months. Eighty eight patrol hrs. were put in on the program in a effort to control speeding problems. Also two highway safety checks were conducted with the assistance of the N.H. Dept. of Safety Inspection team. The radar was continually being used throughout the year in our regular course of duties. A total of 152 speeding tickets, 129 written warnings and many verbal warnings were given to motorists during 1980.

Officer Linda Gentes attended the Police Safety Officers School in Concord, N.H. this year. Areas covered were School bus safety, Alcohol and drug abuse prevention, fatal accident investigation, and pedestrian and bicycle safety. This knowledge will be used to expand the annual bicycle rodeo put on with the help of the local 4-H organization at the Goshen Lempster School and also used to conduct other volunteer programs in elementary safety education with school age children.

Dog nuisance problems and unlicensed dogs once again proved to be very time consuming. We investigated 34 nuisance complaints and processed 31 notices of unlicensed dogs. It was necessary to issue 5 restraining orders and bring to court 4 dog owners for violations. In Nov. 1980 voters of Goshen passed a dog lease law. By law dogs must not be allowed to run at large in Goshen and the owners are directly responsible.

Again I wish to thank the citizens of Goshen for the support they have given the Police Department this past year.

Sincerely,

ANDRE L. GENTES  
Chief of Police  
Goshen, N.H.

## REPORT OF THE FIRE DEPARTMENT

In 1980 your Fire Dept. answered 26 calls with 200 men responding. Total reported fire loss was \$2,300.00.

I am very pleased with the way our new fire reporting system is working. All fines should be reported to Claremont (542-5155) and their men dispatch our equipment by radio. Every Goshen firefighter has a pocket size radio receiver and since we have changed over, our response to emergencies has improved tremendously.

I want to stress that 542-5155 is the number to dial to report fire emergencies ONLY. For burning permits call Forest Warden Arthur Nelson at 863-1509. For all other information and Fire Dept. business call 863-3293.

In November the Insurance Service Office inspected our Town, our Fire Dept., and tested our equipment. It is my understanding that as soon as our new rating is published, (2 to 6 months) everyone within 3 miles of the fire station will be eligible for a reduced fire insurance rate.

The Annual Firemen's Auction earned \$1,400.00 (Net) in 1980 for our equipment fund. When you do your Spring cleaning, please remember our Annual Auction and give us a call at 863-3293 if you have any salable items you would like to donate. We pick up year round.

I offer my sincere thanks to the firefighters, dispatchers, auctioneers, auction helpers, Town officials and to all citizens and taxpayers of Goshen for the many hours of help and cooperation given to make the Goshen Fire Dept. a very effective service to the Town.

Respectfully Submitted,

EDWIN I. BAKER  
Chief

**REPORT OF FOREST FIRE WARDEN  
AND  
STATE FOREST FIRE SERVICE**

Forest Fire Prevention: Your Business, Our Business, Good Business. Forest Fire prevention slogans have been seen in association with Smokey Bear since the late nineteen forties when a national effort to check the spread of forest fires was implemented.

New Hampshire residents recognized that forest fire prevention and suppression was the responsibility of every citizen, a half century before this national campaign, when our legislature established our first forest fire laws in 1903. Since that date, the State has appointed a town/city forest fire warden who is responsible for forest fire law enforcement in his municipality.

All fires kindled out of doors when there is no snow on the ground must be approved in writing by the forest fire warden before being kindled. All forest fires must be suppressed by the warden and his deputies as soon as they are reported. The cost of fire suppression is shared jointly by the town/city and the State of New Hampshire, as are forest fire prevention and forest fire training costs.

This State and local municipality cooperative forest fire program has given New Hampshire one of the best forest fire records in the United States.

## REPORT OF THE OLIVE G. PETTIS LIBRARY TRUSTEES

The trustees of the Olive G. Pettis Library have held meetings the second Saturday of January, April, July and October.

In February the library sponsored a film, "Wild Goose", which was attended by a number of citizens and was shown at the Parish Hall.

Mr. and Mrs. John Pike presented the library with a fine framed photograph of "Peggy Pike" which is now hanging in the library.

An Adult Art show was held at the library during the Old Home Day weekend and drew a good number of visitors.

The Friends of the Library sponsored the annual Book Fair which was held on the lawn in July. The trustees furnished the lunches for the Friends and their patrons.

The yew shrubs, given last year by the Friends, have been trimmed and cared for by Russell Gardner. Raymond Kempton Jr. has kept the lawn mowed.

Margaret Kingston, Librarian, and Mrs. Bernard Richardson, Trustee attended the District Advisory Council meetings, one in July at Peterborough and one in October in Washington. Margaret Kingston also took a course in Public Library Techniques in Cataloging and Classification at the Keene State College, which was financed by the Friends of the Library. We are all truly grateful to our Friends.

The Bookmobile has kept up its regular calls furnishing the library with up to date reading. The library has purchased 70 books and a number of persons have donated books as well as a magazine subscription.

Mrs. Bernard Richardson, Chairman, has resigned because of health reasons. She is greatly missed and we hope her health is soon restored.

Margaret Kingston has submitted the following report:

## DARTMOUTH-LAKE SUNAPEE REGION ASSOCIATION

The Officers and Board of Directors of the Dartmouth-Lake Sunapee Region Association (DLSRA) wish to thank the townspeople and officials of Goshen for their generous appropriation at the 1980 Town Meeting.

DLSRA, a non-profit organization, worked hard to make this area a vacation destination during 1980. Our 120 business members and volunteer board members believe that all businesses, not only inns and restaurants, benefit from a healthy vacation travel economy. We applied for and received over \$7,000 in N.H. State Matching Funds to produce and distribute 75,000 copies of our new color-covered vacation brochure. This was the first time our region had a selling piece that was competitive with other sections of the state and New England. Exactly \$7,332 in private funds were matched by a like amount of state dollars in November 1980 so that DLSRA could organize and carry out an important advertising campaign to promote mid-week skiing in our region. All major downhill and cross-country centers participated along with over 25 lodging and dining establishments. DLSRA also funded a seven day a week live ski information phone during the winter of 1979-80.

In addition to these major achievements DLSRA mailed nearly 4,000 vacation kits to people who wrote our office, handled several hundred phone inquiries, prepared several news releases and feature stories for over 90 travel editors throughout the East and established a unique theatre/lodging/dining discount program for summer arts enthusiasts.

This year promises to be busier than last and we would sincerely appreciate your continued support! Thank you.

## DEPARTMENT OF REVENUE ADMINISTRATION

Board of Selectmen  
Philip S. Mygatt, Chr.  
Town of Goshen  
Box 752  
Goshen, N.H. 03752

Gentlemen:

Your Summary Inventory of Property Valuation and Statement of Appropriations have been approved. You may proceed with the assessment of 1980 taxes on the basis of the following figures.

Net Assessed Valuation	\$5,526,936.00
------------------------	----------------

Taxes Committed to Collector:

Town Property Taxes Assessed	\$242,079.80
Precinct Taxes Assessed	
Total Gross Property Taxes	\$242,079.80
Less: Est. War Service Tax Credits	<u>3,400.00</u>
Net Property Tax Commitment*	\$238,679.80

Tax Rate - Town	4.38
Precinct	

\* The amount of property tax commitment is subject to adjustment by reason of any increase or decrease in War Service Tax Credits which may result based on the above approved rate.

In the event any adjustment was made in the Appropriations Section, we have enclosed a copy of the changes. Revenues and Credits have been approved as shown on the enclosed copy of the third page of the Statement of Appropriation.

The net amounts approved for school, county and precinct are as follows:

Net School Appropriations	\$154,352.19
County Tax Assessment	26,086.00
Net Precinct Appropriations (1)	

In arriving at the above approved rate the Overlay has been set in the amount of \$3,775.30.

Very truly yours,

Lloyd M. Price, Commissioner

Combined Rate (Non Precincts & Single School Districts - Towns or Cities)	4.38

RSA 76:11 provides for delivery of the list (warrant) to the collector within thirty days of receipt of approval of the tax rate unless for good cause the time is extended by the department. The collector shall within thirty days after receipt of the warrant from the selectmen (assessors) send out the tax bills unless for good cause the time is extended by this department.

RSA 76:11-a Information Required. The tax bill which is sent to every person taxed, or his agent, if known, as provided in section 11, shall show the rate of municipal, school and county taxes separately, and each bill shall also show the assessed valuation of all lands and buildings for which said person is being taxed. The 1980 rate breakdown reflects a proportionate share of the government.

RSA 76:13 provides that interest at 9% per annum shall be charged upon all taxes except resident taxes not paid on or before Dec. 1, except that in the case where a tax bill was sent to a taxpayer on or after Nov. 2 and before April 1st, interest shall not be charged until 30 days after the bills are mailed. The collector shall state on the bill the date from which interest will be charged.

The tax bill which you mail must contain the date from which interest will be charged and this date is determined by the date you send the last bill on the list committed to you. RSA 76:13 also requires that you notify this department in writing of the date on which you send the last bill. There is enclosed a form for this purpose.

## REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of Goshen-Lempster:

I have been Superintendent of Schools for only three months, having assumed this position on October 1, 1980. For that reason, this first report is going to briefly review the role of the Office of the Superintendent of Schools in this School Administrative Unit which was formerly called the Supervisory Union.

School Administrative Unit #43 is comprised of five school districts, including Croydon, Goshen-Lempster Cooperative, Kearsarge Regional, Newport and Sunapee School Districts. The reason for combining several districts under a single school administrative unit is to consolidate the activities which would be difficult or impractical for a single district to undertake individually.

Some of the functions which our office performs include: budget preparation and control; centralized purchasing; building programs and maintenance; recruitment; supervision and evaluation of all staff members; coordination of all school programs including curriculum; transportation; school lunch; payroll; state and federal programs. The idea is to provide the best possible education to our children in the most cost-effective manner.

In this School Administration Unit we have 3,541 students, 415 staff members, both professional and non-professional; We operate eleven school lunch programs which feed 2,475 students daily; we transport 3,286 students each day on 37 buses travelling 2,207 miles. The budgets adopted for 1980-81 total \$8,039,055.18.

To oversee and manage this School Administrative Unit, our office includes one Superintendent of Schools, one Assistant Superintendent for Newport, Sunapee and Croydon, one Assistant Superintendent for Kearsarge Regional and Goshen-Lempster Cooperative. Our office also includes a Director of Handicapped Services (Teacher Consultant position), an Office Manager and three secretaries.

I want to thank everyone for their outstanding cooperation. It should be reassuring to know that we have outstanding people working in the educational field.

It is my hope that we can continue to provide quality education in a cost effective manner in all of the school districts in School Administrative Unit #43.

Respectfully submitted,

John H. Sokul  
Superintendent of Schools

## ASSISTANT SUPERINTENDENT'S REPORT

DEAR CITIZENS:

I have been the Assistant Superintendent for the Kearsarge Regional, Goshen-Lempster School Districts for the past six months. In that time I've observed classes, talked with students, faculty, parents and citizens; conducted meetings and studies; talked with various organizations and P.T.O.'s; negotiated with staff for contracts; responded to many parent and School Board concerns; bid equipment and materials; and spent endless time on budget preparation. From those experiences I have come to two major conclusions:

1. Nothing in the field of education is "cut and dried"! Perhaps that is why historically so many facets of past and present day educational philosophies and policies have been and are often debated.
2. Only through continued cooperation, dialogue, and concentrated effort among the schools, the parents, and the citizens of each community, can our schools remain effective, cost efficient, and educationally sound for the varied needs of our students.

Our children are doing well in school, as evidenced by our recent accountability and achievement exams, but there is always room for improvement and greater efforts. We must continue to provide the best possible environment that is economically feasible for our children. That means well rounded programs, including academic, social, physical and mental experiences, for all grades at all levels.

To succeed in today's society a young person needs various experiences -the real objective of a liberal arts education. These experiences must come from the leadership in the classroom, the teacher, and supported by the financial and attitudinal efforts of the public.

Please continue to offer your ideas, suggestions and comments as to the programs and opportunities of your children. Education in the Goshen-Lempster District must continue to be a community-school - citizen supported function.

The youth of the area must depend on us for our interest and commitment.

Paul J. Linehan  
Assistant Superintendent of Schools

**REPORT OF HEAD TEACHER  
(1980)  
Goshen-Lempster Cooperative School**

The 1980 school year was both exciting and fast paced with many activities involving students, faculty, and community groups - groups such as the 4-H Club and the Parent-Teachers Club who gave their time unselfishly for the benefit of our children. Some of the past year's experiences were:

February- The sixth, seventh and eighth grade students traveled to Stevens High School to hear Presidential Candidates Baker, Bush, Kennedy and Reagan speak.

March- The PTC donated \$100.00 to the school library for reference materials.

Sixth students were transported to the Newport Immunization Clinic to be updated on state required immunizations.

April - The Eighth Grade Class held its final class-fund raising dance.

The Seventh Grade Class began its green-house project of raising tomato and pepper plants for a community sale.

May - The PTC bought playground equipment for each classroom (basketballs, soccer balls, baseballs and bats, and volley balls and nets).

Ralph West, a former Goshen-Lempster student and a Black Belt in Karate, gave a Karate demonstration for all members of the school.

June - Graduation exercises were held at the Goshen Town Hall; the Reverend John Barlow gave the Invocation and the Benediction, and School Board Member Doris Adler gave out diplomas. Mabelle Millwood was the Valedictorian, and Vicky Hodgman was the Salutatorian.

September- The most pronounced change upon return to school after the summer break was the new school addition. Everyone was overwhelmed and enthused by the expansion.

October- The Artist In the School program began with Artist Jane Burnham working with fourth and fifth grade students on a "Super Graphic" mural for the new school addition.

A child abuse and neglect workshop was held at the school for the faculty. The program was organized by School Nurse June Buck and conducted by Pediatrician Dr. Cooley

The sixth, seventh and eighth grade students went on a science field trip to the Boston Museum of Science.

November- An evening open house was held for parent-teacher visitations. It was an opportunity for parents to become acquainted with the activities in which their children are involved. The Eighth Grade Class supplied refreshments.

December- An open house for public viewing of the new school construction was held on a Sunday afternoon. The 4-H Club sponsored the play **Hanzel and Gretel at Christmas** utilizing Goshen-Lempster students, a result of many hours of practice for the students and time and patience of the 4-H leaders.

September brought few changes other than the new construction. Mrs. Marcia Harrison, Special Education teacher, was granted a maternity leave, and the position was filled by Miss Patricia Dow of Sunapee. Mrs. Mary Reaso, fourth and fifth grade teacher aide, was succeeded by Mrs. Dale Hathaway of Lempster. And, Nurse June Buck has regulated her schedule so that she now spends every Friday morning at Goshen-Lempster.

Change continues to be the agent of progress for the Goshen-Lempster Cooperative School. This past Fall the faculty began taking a close look at the existing school curricula with the intention of improving and strengthening the continuity between classrooms. Reading and language arts were the first target for introspection.

Our graduates have been doing quite well. In June, for the first time, three graduates received advanced Algebra credit from Newport High toward graduation for math work done at Goshen-Lempster. These students entered sophomore Geometry in September. In addition, eleven of the fourteen students that entered Newport High School were on the honor roll for the first quarter, and two of those eleven received high honors (50% of Newport's freshman high honors). Twenty-six percent of Newport's freshman honor roll was composed of Goshen-Lempster graduates.

In closing and on behalf of the staff, I wish to extend my compliments to the Community, the School Board and the Administrative Staff for the magnificent accomplishment of the much needed school addition. The new rooms are now extensively in use, and the students are esthetic over their new activities room. The result - the school staff is able to function more efficiently, and the students have developed a new and greater sense of pride in their school. Isn't that what it's all about?

Respectfully submitted,

John Bonfiglio Head Teacher
